- 1.4 Tender shall remain valid for acceptance **360 (Three Hundred Sixty)** hours from the time & date on which they are opened. The validity of tender may be extended if so required by the Buyer as approved by Government. If any Tender is withdrawn before the expiry of minimum **360 (Three Hundred Sixty)** Hours as aforesaid, the tenderer will be debarment listed and Tender Security shall be forfeited.
- 1.5 Each Tender shall strictly comply with all requirements laid down in this form and no space be kept blank.
- 1.6 The Buyer reserves the right to accept or reject any or all Tenders without mentioning any reason thereof or reserves the right to purchase any quantity more or less than those quoted for.
- 1.7 The Tender is open to all subject to stipulated terms and conditions. There are two options to submit Tender as a seller. (a) Foreign company will submit Tender through local agent & (b) Local company will submit Tender mentioning their foreign principal.
- 1.7.1 **Option (i):** In case any tender is submitted by a local agent, the tenderer will have to
 - (a) Submit formal agency agreement signed between the principal and the local agent under their official seals along with tender so that tenderer can deal with the tendered quantity.
The local agent shall have to submit Principal’s
 - (b) Certification of Incorporation/Trade License
 - (c) Membership Certificate of Chamber of Commerce.
 - (d) Financial Solvency Certificate from any scheduled bank indicating minimum **USD 2.2 (US Dollar Two Point Two Million)** deposit or credit limit to them
 - (e) Export Registration Certificate
 - (f) Documents in support of shipment of human food items (Chick Pea, Crude Degummed Soyabean Oil (CDSO) Refined Soybean Oil, Crude Palm Olein, Refined Palm Olein, Refined Sugar, Rice, Wheat, Red Lentil etc.).If the local agent is to sign contract on behalf of the principal, he must produce letter of authorization before signing of the contract.

- 1.7.2 The local agent shall have to submit
- (a) Trade license
 - (b) TIN certificate
 - (c) VAT registration certificate
 - (d) Import registration certificate
 - (e) Indenting certificate (If any)
 - (f) Solvency certificate from any scheduled Bank of Bangladesh issued not earlier than one month before opening of tender.
- In case a local agent submits the tender on behalf of its Seller, the local agent will require submitting
- (g) A proof of authorization from the principal to submit the tender on its behalf.
- 1.7.3 **Option (ii):** In case any tender is submitted by any Bangladeshi company as seller, then the tenderer will have to submit
- (a) Formal agreement signed with his foreign principal under their official seals along with tender so that at the time of evaluation buyer can ensure that tenderer will supply the goods as per terms of schedule and contract. The seller shall have to submit his,
 - (b) Certification of Incorporation/Trade License
 - (c) Membership Certificate of Chamber of Commerce
 - (d) Financial Solvency Certificate from any scheduled bank indicating minimum **BDT 18,70,00,000 (Eighteen Crore Seventy Lac)** deposit or credit limit to them
 - (e) Import Registration Certificate
 - (f) Documents in support of import of human food items (Chick Pea ,Crude Degummed Soyabean Oil (CDSO) Refined Soybean Oil, Crude Palm Olein, Refined Palm Olein, Refined Sugar, Rice, Wheat, Red Lentil etc) .
- 1.7.4 The tenderer also will have to submit of principal's (a) Certification of Incorporation/Trade License (b) Membership Certificate of Chamber of Commerce (c) Financial Solvency Certificate from any scheduled bank indicating minimum **USD 2.2 (US Dollar Two Point Two Million)** deposit or credit limit to them (d) Export Registration Certificate (e) Documents in support of shipment of human food items (Chick Pea ,Crude Degummed Soyabean Oil (CDSO) Refined Soybean Oil, Crude Palm Olein, Refined Palm Olein, Refined Sugar, Rice, Wheat, Red Lentil etc) .
- 1.8 Source of supply, port of shipment, name and address of the seller along with certificate regarding specification, quality of goods and commitment of supply against this tender shall be mentioned in this tender form clearly. A Proforma Invoice from the Beneficiary (Principal/Seller) on their letter head in original or in fax followed by original letter head duly signed and sealed indicating quantity tendered, shipment schedule agreed, price and specification of the tendered goods shall be submitted along with the tender as a proof of positive line up of supply without which the tender shall not be considered.
- 1.9 The tenderer or bidder must quote price (in US Dollar) for **Refined Soybean Oil per Ltr** on CFR(C) Chattogram (Previous name Chittagong) liner term by sea showing break up of FOB price, freight and commission separately. The tender must be prepared in English.
- 1.10 The tender must be firm and final; validity of the tender must be quoted clearly.
- 1.11 Tenders received late and or incomplete will not be accepted.
- 1.12 The local agent's commission, if any, should be mentioned separately and clearly and will be paid in Bangladesh currency on satisfactory performance of the contract at the rate of exchange prevailing on the date of negotiation of documents.
- 1.13 Goods tender must not originate from Israel. The goods must not also be shipped on a vessel flying the flag of Israel.
- 1.14 In case, the tenderers/bidders submit fake documents along with their tender and furnish incorrect/false/misleading information in their tender, the tenderer will be debarment listed and Tender Security shall be forfeited.
- 1.15 If any tenderers/bidder makes any written complaint against the decision taken on a particular case of Tender import and if, such complaint does not stand on proper scrutiny, the case is to be put up to the appropriate authority through Tender committee stating all details. In such case, the Tender committee may recommend punitive measure for debarment listing and Tender Security shall be forfeited.
- 1.16 In case, of local agent/(Principal/Seller) fails to receipt of Notification of Award (NOA)/order or fails to submit of Performance Security the buyer shall have right to forfeit the Tender Security. After signing the contract if the local agent/(Principal/Seller) fails to supply the goods the buyer shall have forfeit the Performance Security and both the original seller and his local agent will be debarment listed and Tender Security shall be forfeited.
- 1.17 No Debarment listed company(s) or their associates/sister concerns or in any way connected with the debarment listed company shall not be eligible to participate in this Tender.

- 1.18 The local agent commission is payable in Bangladeshi currency after full execution of the consignment or contract.
- 1.19 The tenderer shall have to submit Tender and all documents along with their official seals & sign in each page.
- 1.20 The tenderer shall have to mention the specific country of origin of Refined Soybean Oil in the Tender.
- 1.21 The port of loading/shipment must be in the country of origin of Refined Soybean Oil.
- 1.22 Tender of part quantity is not accepted.

2.0 **NAME OF THE ITEM REQUIRED TO BE IMPORTED:**

I/We understand that this Tender shall tender to sell of **Refined Soybean Oil** for import into Bangladesh fit for human consumption and conform to the public Health Regulation in force in the country of origin.

3.0 **ORIGIN, QUANTITY AND SPECIFICATION:**

3.1 **Country of Origin:**

3.1.1 **Quantity:** 30,00,000 (±5%) (Three Million Plus Minus Five Percent) Liter Refined Soybean Oil Packed in 02 (Two) Liter Food Grade PET Bottle.

3.2 **Specification:**

3.2.1 **Description:**

3.2.1.1 The material shall be obtained from good quality soyabeans from the plant Glycine max (L) Merrill Syn. Glycine soja, sieb and zucc., fam. Legumisonae by a process of solvent extraction.

3.2.1.2 The material shall be clear and free from adulterants, sediment, suspended and other foreign matter, separated water, and added colouring and flavoring substances. The material shall have acceptable test and odour.

3.2.1.3 The clarity of the material shall be judged by the absence of turbidity after keeping the filtered sample at 30°C for 24 hours.

3.3 The material shall also comply with the requirements given in Table-1

6.0 PERIOD OF DELIVERY:

- 6.1 Refined Soybean Oil being an essential commodity, timely shipment and arrival of goods are the essence of the contract shipment of contracted Refined Soybean Oil is to be effected as per following schedule.

(a) Entire quantity of 30,00,000 (± 5%) Liter Refined Soybean Oil will be shipped within **15-10-2021**.

- 6.2 After opening Letter of Credit by Buyer in favor of Seller, if there is any amendment needed by Seller, it is to be informed to Buyer within 03 (Three) days and Buyer will take necessary steps as per contract. If there is no correspondence within 03 (Three) days then Buyer will consider L/C to be functional and this period (Maximum 03 days) will not be deducted from period of shipment/ delivery. I.e. latest date of shipment maximum **18-10-2021**.
- 6.3 If the Seller fails to ensure delivery as stipulated above, the Buyer shall have the right to terminate the contract and call back the letter of credit and also to forfeit the performance security even legal action may be taken against Seller as per law.

6.4 LIQUIDATED DEMURRAGE:

- 6.5 If extension is required, the procuring Entity may extend delivery or shipment period as deemed reasonable. In that case the seller shall promptly notify the Buyer in writing of the delay, its likely duration and its cause. As soon as practicable after receipt of the Seller's notice, the Buyer shall evaluate the situation and may in its discretion extend the Seller's time maximum **02 (Two) days** for shipment or delivery as grace period. I.e. latest date of shipment maximum **20-10-2021** In spite of grace period if seller fails to ship the goods, **2%** deduction of payment will be applied for **05 (Five) days** time extension I.e. latest date of shipment maximum **25-10-2021** and fraction will be counted as **05 (Five) days**. No extension would be made after **25-10-2021**. However total deduction of payment for late shipment will not be more than **2%** of total value. Buyer shall have the right to forfeiture of Performance Security (PS) and to terminate the contract and/or to recall the Letter of Credit and/or other legal actions if seller fails to ship the goods within grace or extended period of shipment.

- 6.6 I/We understand that if we fail to adhere to the delivery schedule, the Buyer shall have right to terminate the contract and/or claim compensation in addition to the forfeiture of Performance Security.

7.0 TRANSPORTATION BY SEA:

We understand that;

- 7.1 The goods shall be shipped in container by sea from any port in any flag vessel except the port of Israel and vessel of Israel.
- 7.2 The goods shall be shipped by ocean going vessel on liner term basis and discharged at Chattogram (Previous name Chittagong) The vessel must be classed as per Lloyds Classification 100-A-I or by equivalent Classification Society and the vessel must possess valid certificate relating thereto. The vessel must also possess all survey certificates valid up to the end of her voyage.
- 7.3 The age of the vessel shall be restricted within 15 years. Vessel beyond 15 years of age may be used, but in that case the over-age insurance premium along with 15% VAT as charged by Buyers insurer, if any, shall be borne by Seller/Supplier. In any case the age of the vessel shall not exceed 25 years. The selected vessel must be classified in Lloyd's Register as 100A-1 or equivalent. No unclassed vessel beyond the members of International Association of Classification Societies (IACS) shall be acceptable to Buyer.
- 7.4 Part shipment is allowed but not more than **05 (Five) installments**. Trans shipment is allowed but B/L shall remain the same. The cost of first time testing for quality of Refined Soybean Oil from BSTI/BCSIR will be borne by buyer and rest of the time of cost for testing from BSTI/BCSIR will be borne by Seller.

- 7.5 In case of transportation by vessel full particulars of the vessel like, correct name, flag, year of built, name of P&I Club, Port of Registration and Registration number etc are to be supplied to the buyer by the seller at least 03 days ahead of shipment of Refined Soybean Oil.
- 7.6 The first fax/e-mail notice of vessel arrival at Chattogram (Previous name Chittagong) shall give 10(ten) days second notice 72 hours and final notice 24 hours before arrival, to the following address (Dhaka Office Fax No. 88-02-8180057 E-mail tcb@tcb.gov.bd and Chattogram (Previous name Chittagong) Fax No. Office 88-031-740109. E-mail tcbctg@tcb.gov.bd If the seller fails to do so any loss incurred by the buyer on this account shall be on seller's account and the buyer shall have right to forfeit the Performance Security, besides taking other action that may be warranted by law.
- 7.7 If the ship's agent in Bangladesh fails to submit Import General Manifest (IGM) 24 hours before giving NOR or make any faulty declaration or any discrepancies arising due to negligence of shippers agent for which any loss or additional expenses are incurred by the buyer on this account shall be on seller's account and buyer shall have right to forfeit the Performance Security besides taking other action as may be warranted.
- 7.8 If the local agent of Seller in Bangladesh fails to co-operate with different organizations/agencies till the goods are handed over to Buyer's representative and any demurrage, loss or additional expenses are incurred by the Buyer on this account due to negligence of local agent shall be on Seller's account and Buyer shall have the right to forfeit the Performance Security besides taking other action as it warrants
- 8.0 **TERMS OF PAYMENT:**
- 8.1 I/We understand that;
- 8.2 After furnishing of the Performance Security by the seller under clause 14 of this Tender document and after signing of the contract, the Buyer shall **open irrevocable, non-transferrable** Letter of Credit for the value of the quantity of the goods to be delivered. Fax/E-mail intimation of the opening date of the L/C will be treated as the L/C opening date.
- 8.3 The letter of Credit shall be negotiable on presentation of the following documents in original;

11.0 **PRESHIPMENT INSPECTION (CHECK OF QUALITY, QUANTITY, WEIGHT AND CONDITIONS):**

11.1 Apart from the seller's certificate guaranteeing quality and weight of the goods delivered, the quality, specification, quantity/weight (Gross and Net.) packing and marking of the goods shall be corroborated by certificate of pre-shipment inspections. The pre-shipment inspection certificate should indicate detailed specification gross and net. Weight of goods shipped. Pre-shipment inspection and loading supervision will be done in presence of seller's representative and certificate issued by the inspection agent nominated by the buyer. PSI report by others agent (Not nominated by TCB) shall not be accepts.

11.2 TCB will have the right to send their representative during pre-shipment inspection / loading to see that the Refined Soybean Oilis being loaded as per specification.

11.3 The supplier will accord necessary facilities (warehouse and others) to the inspection agency nominated by the buyer to enable them to carry out inspection / test properly. In case the supplier fails to extend necessary facilities to the inspector or their authorized representative to perform inspection/ test properly, the cost incurred for arranging such facilities for the purpose of inspection / test shall be recovered from the supplier.

11.4 If the supplier officially call the inspector for inspection of goods and if after arrival of the authorized representative of the inspector, fail to place the goods for inspection, the fruitless journey performed by the

inspector shall be considered as an intervention and in such event the supplier shall be liable to pay to the inspector the cost incurred by them for the journey.

- 11.5 Minimum Inspection Fee: Minimum Inspection fees per consignment are US\$ 600 (US Dollar Six Hundred) Only.
- 11.6 Rejection Fee: The fees of the inspection agency or their accredited representative shall be payable by the seller of TCB in case of rejection of goods above 20%. The percentage of rejection will be calculated on the total contracted quantity for Inspection (or 0.082 % of contracted amount). Seller shall be liable to pay to the PSI Company for the Rejection fee & fruitless journey. Rejection fee & fruitless journey will be half of regular PSI fee per M.Ton basis.
- 11.7 Percentage of rejection will be calculated on the total quantity Tendered for inspections.
- 11.8 **LIABILITIES OF PRE-SHIPMENT INSPECTION AGENT:**
- a) Visual and physical inspection or any other necessary chemical test should be carried out according to the particulars and specifications stipulated in this contract with the suppliers. No deviation shall be permitted by the inspectors or his inspecting staff without prior approval of TCB.
 - b) Testing the entire stores with regard to quality and quantity.
 - c) Maintaining of liaison with the corporation and the suppliers.
 - d) Superintendence of weighing or quality checks, supervision of loading.
 - e) Inspection of packing and marking and
 - f) Submission of test report to TCB.

11.9 **OTHERS RESPONSIBILITIES OF PRE-SHIPMENT INSPECTION AGENT:**

- a) The Inspector will not refuse to undertake inspection of any goods ordered by the Buyer.
- b) In the event of non-acceptance of an inspection order, without good and sufficient reasons, the Buyer shall reserve the right to place of a fresh order with any other inspection agency and the inspector will be liable to compensate the purchaser for the loss which may result there from.
- (c) The quality inspection shall include physical, chemical, laboratory tests whenever necessary. In case of goods test/laboratory test shall be carried out on reasonable number of samples depending on the quantity of supply. In case of food items or any items test shall be conform to International standards and/or specified in the contract. Test reports and certificates shall be submitted to the purchaser immediately after the test is performed.
- (d) State inspection and testing of the entire stores with regard to performance, quality, quantity & workmanship shall have to be done as per requirement of the relevant specifications.
- (e) Inspection of packing & supervision of weighing or quantity checks as well as supervision of loading of stores shall have to be done as per terms of the contract for the stores inspected.
- (f) Inspection & supervision of loading of stores shall have to be carried out by the inspectors well in time so as to ensure deliveries within the delivery period in this contract.
- (g) Inspection of the stores after the expiry of the delivery period shall not be carried out unless expressly authorized the purchaser.
- (h) Inspection certificate shall have to be issued by the inspectors or their accredited representatives for each consignment/item inspected and accepted.
- (i) Liaison shall have to be maintained by the Inspectors with the Buyer.
- (j) Partial shipment may be allowed by the Buyer where demanded by the Seller's to their convenience. A clause will, however, be incorporated in supply/purchase contract that the supplier/manufactures abroad shall provide to the inspectors or to their authorized representatives all facilities for carrying out inspection & witnessing tests as provided in the specification governing such suppliers or in conformity with the normal trade practices.
- (k) The inspection agent shall entirely responsible for successful execution of the order/contract in all respects and in accordance with terms and conditions specified therein. The terms and conditions of Tender instructions to the renderers and specification will constitute as an integral part of the contract.

In spite of this clear provision in the purchase order if the supplier/manufacturers abroad do not provide such facilities, the inspectors shall have to inform the purchaser and after obtaining his permission, they shall have to make their own arrangement for carrying out inspection or test as stipulated in the supply/purchase contract involved. In that case, the actual expenses on that account will be reimbursable to the inspectors on production of original documents and will be recovered by the purchaser from the suppliers concerned. Inspectors will, however, have to make efforts to reduce such expenses to the barest minimum.

11.10 **SELLER'S RESPONSIBILITY DURING INSPECTION:**

i) **PACKING AND MARKING:**

- a) Responsibility for proper packing: The supplier will be held responsible for the stores being sufficiently and properly marked for transport by rail, road and sea, so as to ensure their being free from loss or injury on arrival at their destination. The packing of the stores shall be done by and at the expense of the supplier.
- b) If the stores are not packed and marked in accordance with the instruction or in case where the packing materials are delivered separately and they are not in accordance with those instructions are not marked according to them consignment are liable to be rejected by the Inspector whose decision as to the sufficiency or otherwise of compliance with the instruction shall be final. Re-packing, if required by the inspector before onward dispatch shall be carried out by the supplier within a reasonable time of the deed and therefore, be carryout the Inspector at the cost of the supplier

ii) **DELIVERY:**

- a) The supplier shall allow all reasonable facilities to the Inspector including free and full access to his works and all records having a bearing on the progress of the deliveries against the contract.
- b) Notification by the supplier: Suppliers will notify the PSI Company/Inspector about the readiness of the concerned stores for inspection and test 10 (Ten) days in advance. In any case the notified date of readiness should be well in advance so that inspections and tests are completed before the date of shipment. The corporation is responsible for immediately notifying the Supplier if readiness of the stores is to be retarded or deferred.

iii) **FACILITIES FOR TEST AND EXAMINATION:**

- a) The supplier shall at his own expenses afford the Inspector all reasonable accommodation (warehouse) and facilities for satisfying himself that stores are being or have been manufactured in accordance with the particulars and for this purpose the Inspector shall have full and free access at any time during the contract to the supplier works and may not withstanding any contractual terms to the contrary require the supplier to make arrangements for the store or any part thereof to be inspected at the suppliers premises or at any other place and the supplier shall reserve a similar rights as regards any sub-contract he may makè.
- b) The supplier shall pay all costs connected with such tests and provide without extra charge, all materials tools labor and assistance or every kind which the Inspectors may consider necessary for any test and examination other than special –independent test which he shall require to be made on the suppliers premises for making the tests the supplier shall bear the cost of carrying out such test elsewhere.
- c) The supplier shall also provide and deliver free of charge at each place as the Inspector may direct such materials as he may require for test by chemical or other analysis or intended testing machines or means commonly in use according to the nature of the stores. In the event of such tests being unsatisfactory and resulting in leading to the rejection of the stores concerned the cost of the tests will be borne the supplier. Such cost will be assessed at the rates charged by the laboratory-testing firm concerned for work for private firm and individuals.

iv) **POWER OF THE INSPECTOR:**

The authority to certify performance; The Inspector shall have power before any stores or parts thereof are submitted for inspection to certify that they cannot be in accordance with the contract owing to the method of manufacture not being satisfactory or to reject any stores submitted as not being in accordance with the particulars.

v) **REJECTION**

- a) The Inspector may reject the whole consignment Tendered for inspection if after inspection of such portion thereof as he may decide at his discretion he is such satisfied that the consignment is not up to the specification.
- b) If any store is rejected as aforesaid then to allow the contractor to re-submit stores in replacement and the contractor will bear all costs on such replacement without being entitled to any extra payment without prejudice .
- c) If there is any discrepancy between drawn sample and final delivery goods than, Seller will be responsible for such discrepancy and Buyer shall have right to terminate the contract and/or claim compensation in addition to the forfeiture of Performance Security and/or legal action will be taken against seller.

vi) **MARKING OF REJECTIONS:**

If considered desirable by the Inspector, rejected stores will be marked with small rejection marks, so that these may be easily identified if resubmitted and the contractor shall not be entitled to claim anything on that account.

Multiplicity
copy

vii) **RE-INSPECTION:**

If further inspection/test/examination is carried out at the instruction of the TCB and if it is considered that the quality of your inspection is not up to the standard strictly as per specification stipulated in the contract, PSI Company will have to bear all costs of further inspections.

PSI Company is required to perform all or any of the actual inspection upon the exigency of the situation and also on the special instruction issued time to time from this office.

- a) PSI Company will arrange visual and physical inspection of the stores tender for inspection and carry out any other necessary test according to the particulars and specifications stipulated in the contract, you will have to bear all costs of further inspections.
- b) Wherever necessary stage inspection and testing of entire equipment/stores with regard to the performance, quality, quantity and workmanship.
- c) Supervision of the weighing or quality checks as per contract (wherever necessary).
- d) Inspection of packing and markings (wherever necessary).
- e) Supervision of loading.
- f) If for any reason, Pre-shipment Inspection report is found not conforming to the ordered specification, TCB shall reserve the right to ask for compensation determined by TCB and/or double inspection fee and/or fruitless journey fee and/or any legal action taken by TCB.

The appointed Pre-shipment Inspection Agent shall not disagree/refuse/express their inability to carry out Pre-shipment Inspection of (Corporation/Enterprise/Projects) goods to be imported by the buyer in any country/place/port of the world.

viii) **INSPECTION CERTIFICATE:**

On completion of inspection, the Inspector shall furnish inspection certificate to the supplier with copy to 05 (five) sets of the above mentioned documents shall be airmailed/couriered to the following addresses:-

14.0 **PERFORMANCE SECURITY:**

14.1 I/We understand that we shall have to furnish to the buyer 5% (Five Percent) of the total CFR(C) value of the contracted goods for the Performance of contract in the form of Pay Order/Bank Draft/Bank Guarantee US Dollar(in word) Equivalent BDT.....(In word) of the total CFR(C) value of the contracted goods if our tender is accepted by the buyer. The buyer shall have the right to forfeit the Performance Security in part or in full for the failure of the seller to fulfill the terms and conditions of the contract partially or wholly besides taking any other action against the seller that may be warranted by law.

14.2 The buyer shall have absolute, unqualified and indefeasible right to forfeit the Performance Security in the event of non-performance, part performance and or breach/breaches of any term/terms, clause/, Clauses, provision/provisions of the contract by the seller/sellers and demand encashment of the Performance Security under this clause on the ground of failure. This clause shall not affect the right of the buyer in demanding encashment under the terms of the Performance Security, in as much as, this clause is an addition to and not a substitute for the terms of the Performance Security. This clause shall prevail if there appears any inconsistency between this clause and any other clause relating to the forfeiture of the Performance Security.

14.3 **FORM OF BANK GUARANTEE FOR PERFORMANCE SECURITY:**

Whereas the Trading Corporation of Bangladesh, TCB Bhaban, Kawran Bazar, Dhaka (hereinafter referred to as the "BUYER" has accepted the tender of M/S..... (name of seller) against Ref No.dated.....vide Buyer's Notification of Award (NOA) No. Dated.....for supply of (Quantity)..... (name of item) to be made by M/s..... (Hereinafter referred as the SELLER) on the terms and conditions governing the contract between the Buyer and the SELLER and whereas the SELLER has requested us through (Name of the foreign bank) to issued a guarantee for an amount of US Dollar-----/Bangladesh Taka..... (amount) of the value of the contracted goods in consideration aforesaid, we..... (name and address of the issuing Bank) hereby undertake and guarantee due performance of the contract and we unconditionally and absolutely bind ourselves to;

- I) Make payment of US Dollar-----/Bangladesh Taka..... to Trading Corporation of Bangladesh or as directed by the said Buyer immediately on receipt of demand from the Buyer in writing without any question whatsoever;
- II) Keep this guarantee valid and in force up to 180 (One Hundred Eighty) days from the date of issue and make it extendable for further period that may be required by the Buyer. This guarantee is unconditional and irrevocable and it is expressly understood that the sole judge for deciding whether the Seller had adhered to and fulfilled the terms & conditions of the contract will be the said Buyer. Our commitment under this guarantee is limited to an amount of US Dollar -----/Bangladesh taka..... .. And

III) It is specifically stipulated and understood by us that any grant of time or any indulgence to the Seller without reference to us shall not in any manner tend to absolve us from our liability to make payment as stipulated above under this guarantee.
We certify that our Bank is a scheduled Bank.
